DISTRIBUTION FREQUENTLY ASKED QUESTIONS**

All email inquires should go to: [info@HealthSouthErnstAndYoungSettlement.com](mailto:info@HealthSouthErnstAndYoungSettlement.com)

**GENERAL INFORMATION**

**1. *What is this payment for?***

This distribution is in payment of your pro-rata share of the distribution from the class action settlement reached by Stockholder Lead Plaintiffs with Ernst & Young.

**2. *Why did it take so long to receive my payment?***

All the Proofs of Claim that were submitted needed to be processed in order for the pro-rata distribution of funds to be made. Each claim was reviewed and calculated in accordance with the Court-approved Plan of Allocation. Depending on deficiencies and objections, individual claims required some time to become perfected. We appreciate your patience.

**3. *I received this payment for my IRA or 401(k) Pension account. What do I do?/Can I cash it?***

You should deposit it in that account as if it were a distribution from the HealthSouth Corp. securities you held in the account at one time. If you cash it, it may be considered a distribution from your IRA or Pension Account and that may have unfortunate consequences if you are not eligible to receive such distributions. Please contact your financial advisor if you have any questions.

**4. *Do you have the contact number for my financial advisor?***

No. We do not have access to that information.

**5. *Is there a stale date on this payment?***

Yes. Payment is conditioned on your cashing the distribution you received within 90 days from the date on the distribution. After 90 days from the date on the document, the payment is void and will be returned to the Net Settlement Fund; subject to redistribution to others.

**6. *Can I get an extension on the stale date?***

Please cash the distribution as soon as possible.

**7. *Is this taxable? Will I get a 1099?***

The HealthSouth Corp. Securities Litigation Ernst & Young Settlement Fund was created and administered in the United States and was held and distributed as a Qualified Settlement Fund ("QSF") under IRS Treasury Regs. 1.468B.

The US tax treatment of this distribution varies based upon the recipient's tax status and treatment of his, her or its investments. Therefore, we cannot determine the appropriate tax reporting for all recipients and we cannot provide individual tax advice. The tax treatment of distributions from the Net Settlement Fund is the responsibility of each recipient. You should consult your tax advisor to determine the tax consequences, if any, of this distribution to you.

There is no Form 1099 reporting required under these regulations to the individual recipients; therefore, no Form 1099 will be sent to payment recipients.

**8. *I believe that I should have received a larger payment. I question the amount I received. What can I do?***
